

TOBIAS

AND THE NIGHTMARE

DELUXE

The free platformer for kids

A lovingly made adventure through five dream worlds: jump, collect stars, solve puzzles and defeat the Nightmare with Lumi the dream light. A family project – made by parents for kids.

✓ Completely free

No in-app purchases, no subscription, no account.

✓ No ads

No banners, no videos, no bait offers.

✓ No tracking

No cookies, no analytics, no third-party services embedded.

✓ From age 6

“Easy” from 6, “Normal” from 8, “Relaxed” from 5. No blood, no chat.

✓ Runs everywhere

In the browser on tablet, phone and PC – offline too.

✓ Play together

Two-player mode on the same device, with controller or keyboard.

HOW TO START

1. Scan the QR code with a phone or tablet camera
2. Tap “Play now” – done
3. Start with “Lumi’s practice meadow” – Lumi explains everything
4. Tip: add it to the home screen as an app
